

Let's dry your clothes outside!

# Laundry Pole Holders

## Features

1. Light and thin, but super durable
2. Space saving
3. Easy to change angles (or height)
4. Made in Japan

### NPB series (Railing mounted type)

Light and thin, but super durable - sliding laundry pole holders attached on railings and balcony barriers.

- Easy to attach the sliding pole to base
- Height Adjustment: 4 levels
- Angle of the arm: 35°(fixed)

Even though you mount at the lower area, you can keep required minimum height (650mm) with NPB-50L.

Space saving

Easy to fold the arm down holding a laundry pole holder.

Safety lock function

A lever keeps the sliding square pole from dropping sharply.

Height adjustment

You can adjust the height of pole for intended use. Height adjustment: 4 levels
